About CaringBridge

www.caringbridge.org

A CaringBridge website is a free, personalized website that support and connect loved ones during critical illness, treatment, and recovery. It helps keep loved ones informed during difficult times. In return, family and friends give patient and caregiver support through guestbook messages.

Every free, personalized CaringBridge website includes:

- Patient care journal to update family and friends
- Guestbook for messages of love
- Photo gallery
- Free online support for using the service

More than **20 million families** each year turn to CaringBridge for comfort and support during difficult times. You can create a website for yourself. Or do it for someone you love. It's a meaningful way to help friends and family during life-changing events.

Donate

As a **501(c)(3) charitable organization**, we rely on generous people like you to ensure the CaringBridge service is available for families when they need it most. While funds are not provided directly to families, your gift helps those using the free service stay connected while they heal. Donate online by visiting caringbridge.org/donate

Other Gift Options

Each contribution - from computer equipment on our wish list, to employer matching, to a legacy gift - helps CaringBridge maintain our commitment to bringing together a global community of care, powered by the love of family and friends in an easy, accessible and private way.
