"Thank you for giving my family the opportunity to have our own home."

Dear Lance,

Thank you for your recent donation of \$2,500.00 to Habitat for Humanity of Metro Denver. Because of your support, an unmistakable happiness shines in the faces of Lete and her two children. Lete and her family will soon have a safe and warm place to call home. Contributions from generous companies like yours are helping to end poverty housing in Metro Denver.

Currently, Lete's family lives in a small, noisy apartment without a safe outdoor area for her kids to play. Lete's children need a decent home where they can grow into happy, healthy, well-adjusted adults. As a single mother working full time as a day-care provider, it's all Lete can do to make ends meet. Her rent payments alone take up almost 50% of her paycheck. But now that Lete has found Habitat, things are changing. Soon Lete will purchase a newly constructed, energy-efficient home with reliable heating and plumbing, separate bedrooms for each of her children, and a safe place for them to play. A zero-interest loan with payments of 25% of her income will make the house affordable. With a manageable mortgage payment, Lete's paycheck will go further allowing her to afford other necessities like food, health care, and transportation.

Like all Habitat families, what Lete and her family need isn't a handout, but a hand up. Your support makes this possible. **Lete says it best, "Homeownership means a lot to me and my kids. Without the help of so many kind people like sponsors and volunteers, I couldn't do it by myself. God bless everyone who's helping us."**

With grateful hearts, we offer our sincerest thanks for showing the courage to make a difference. Thank you again.

In partnership,

Heather Lafferty
Executive Director
